

# 5 WAYS TO RECRUIT TOP AGENTS

There's a lot that goes into running a successful brokerage and **attracting top agents**. From providing the right tools, meeting consumer demands, and building a dream team—see how Lone Wolf solutions can help at every step of the way.

# 1

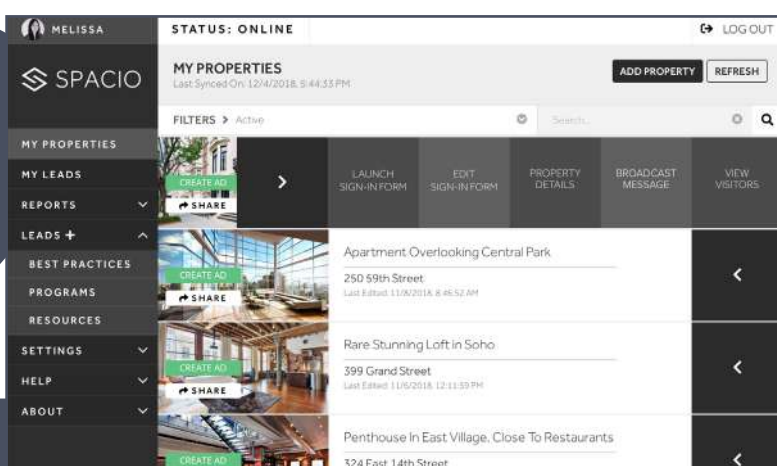

## INVEST IN TOP TECH TOOLS

Top agents are going to want to know what tools your brokerage will provide for them. In a competitive market, tools like Cloud CMA will help your agents stand out with interactive listing presentations while also promoting your brand.
