

YOUR PATH TO COMPLETE TRANSACTION MANAGEMENT

Maximize your productivity and close more deals

Let's face it, the real estate landscape has changed drastically. In this ever-changing, fast paced-world, you need to operate with quick reflexes in order to rise above the competition.

Fortunately, with Transactions at your fingertips, you have a powerful suite of tools that can make your job much easier, work cohesively with your team, close more deals – and ultimately, be a great real estate agent!

- ✓ Increase efficiency
- ✓ Stay organized and be compliant
- ✓ Improve collaboration
- ✓ Stay competitive

“

“The greatest and best benefit of using the [Lone Wolf Transactions] system from start to finish is the efficiency. The migration from creating an offer, over to Authentisign and having the signature done, and then having a button to push to say ‘Send it to the back end, the deal’s done,’ is just amazing.”

~ Eryn Richardson, General Manager and Partner, Century 21 Heritage Group

Take advantage of Lone Wolf Transactions resources to achieve your goals.

INCREASE EFFICIENCY

- Using Authentisign, you can easily and legally sign contracts. Anywhere. Any time. Any device.
- Integration with your MLS gives you the ability to auto-populate listing information directly into your transaction, so you can start deals faster with the right information.

STAY ORGANIZED AND BE COMPLIANT

- Access to checklists and custom transaction templates help you navigate through the deal process while ensuring compliance.

IMPROVE COLLABORATION

- With new tools available to your brokerage, such as Agent Impersonation, you will benefit from increased team collaborating – allowing you to spend more time on the field.

STAY COMPETITIVE

- Customized brokerage branding ignites your marketing strategy and creates a stimulating and engaging experience for your clients.
