

Introducing Digital Title Orders in Transactions

Lone Wolf is introducing a new feature in Transactions (zipForm Edition + TransactionDesk Edition) that gives agents a faster, easier way to send title orders right from within their member benefit!

A SIMPLER WAY TO REQUEST TITLE ORDERS

With Digital Title Orders agents can get:

- One-click title orders
- Automatic status tracking
- In-product chat with their title rep
- Secure documents sharing
- One-click order cancellations
- Accurate data at closing with real-time sync

DRIVE BUSINESS GROWTH

Digital Title Orders allows Brokers to grow their title business and increase their order capture rate with:

- Broker level default settings to preferred title provider
- One-click order entry
- Brokerage level onboarding
