Hello,

As you may have heard, we will be providing Lone Wolf Transactions (TransactionDesk Edition) as a member benefit for agents in 2022. We've been working with our partners at Lone Wolf to develop a training program to ensure you're getting everything you need from the platform—whether you're a new user or a seasoned professional.

Today, we're excited to share that the training program is ready for registration! Head over [here](#) to view the training calendar and register for your preferred training session.

Thank you,
